

Toll collection exceeded 100 million euros in August

Bratislava, 14 September 2012 – **In August the complex service of electronic toll collection earned over 13.18 million euros for the National Motorway Company. Compared to August 2011 it was by 0.4% more. From the beginning of the year the toll collection earned 102.33 million euros. Compared to the last year the toll collection increased for 8 months of 2012 by 0.8%.**

For the use of specified road sections of motorways and expressways the toll collection reached the sum of almost 8.49 million euros in August. For the specified sections of 1st class roads it was over 4.71 million euros for the same period. Under the transit ticketing the sum of over 314.44 thousand euros was collected in August 2012. Of the total amount collected almost 40.5 % was paid by foreign vehicle operators. The day of the month with the highest toll collection was 30th August, on which the earned sum reached 659,555 euros. In August, the specified road sections were daily used by average 28,243 vehicles over 3.5 tons.

The number of active OBUs in the electronic toll system grew again in August. As at the end of the month SkyToll had 207,877 OBUs registered in the system. Compared to July their number grew by 195 units.

In August the mobile enforcement units checked 190,786 vehicles on the specified sections. They solved 577 cases of violation of the Act on Electronic Toll Collection, of which 20.3% was committed by Slovak drivers. The mobile enforcement units collected tolls from drivers in the amount of 18,945 euros.

In August 2012 SkyToll recorded the total of 229 filings by customers concerning the electronic toll collection operation. Of this number 12 filings were evaluated by SkyToll as justified. In August last year 17 of 226 filings were justified. Of the justified filings in August this year there were 7 claims, 3 requests and 2 suggestions. All claims were handled within the deadline set out in the contract with the National Motorway Company, which is 5 working days.

Operators of the customer service line of the electronic toll system received over 3.7 thousand calls in August while the toll web portal recorded almost 48.5 thousand visits for the same period.
