

As of 1 July 2012 the network of specified road sections changes

Bratislava, 28 June 2012 – **As of 1 July 2012 Decree of the Ministry of Transport, Construction and Regional Development of the Slovak Republic No. 147/2012 Coll. introduces a new list of specified sections of roads with the electronic toll collection. The network of the specified road sections will acquire 25 new sections and one specified section will be altered.**

After 1 July the part of the 1st class road no. 75 between Sládkovičovo and Nové Zámky will have 22 new specified sections having the total length of 47.552 km. Three new specified sections will be added on the Trnava bypass, the 1st class road no. 51. The toll length of this road will be expanded by 4.178 km. **On the same road one toll section (051-018b) is going to be reduced by 0.061 km.**
